

**REMARKS**

An amendment to the specification is an amendment that falls within the guidelines of 37 C.F.R. §1.312 (see MPEP 714.16). In particular, the amendment to the specification (to include priority information in the specification) is provided for proper disclosure and protection of the invention. Applicant notes that the priority information was acknowledged by the Office in the filing receipt mailed June 21, 2004. Accordingly, Applicant respectfully requests consideration of the amendment above to the specification.

Respectfully submitted,
